If you experienced a medical emergency while traveling, would you know who to call?

Whenever you travel 100 miles or more from home — to another country or just another city — be sure to pack your worldwide emergency travel assistance phone number! Travel assistance speaks your language, helping you locate hospitals, embassies and other “unexpected” travel destinations. Add the number to your cell phone contacts, so it’s always close at hand! Just one phone call connects you and your family to medical and other important services 24 hours a day.

Use your travel assistance phone number to access:

• Hospital admission assistance
• Emergency medical evacuation
• Prescription replacement assistance
• Transportation for a friend or family member to join a hospitalized patient
• Care and transport of unattended minor children
• Assistance with the return of a vehicle
• Emergency message services
• Critical care monitoring
